TeeTime Ventures, an indoor sporting, games, and recreation solutions provider, has announced that it has launched Asia's first Protee VX golf simulator at Golfer's Edge Chennai.

The simulator is an AI-powered launch monitor, offering an ultra-realistic golfing experience and a new level of precision and affordability to the golf industry, per a statement by the company.

Golfer's Edge Chennai is the flagship experience centre of TeeTime Ventures, a Bengaluru-based sports and recreational services company. Founded by golfer Hari Natarajan,...
